

FREMONT FLOWERS -FTD

Summer Spelling Bee

August 2 — August 31

LEARN WHILE YOU ARE HAVING FUN IN THE SUN!

Calling all students ages 6 to12! Become an official entry in the Fremont Flowers—FTD Summer Spelling Bee. First, learn how to spell these 10 flower names. Then, stop by the store and impress us with your skills by identifying and spelling five of the ten flowers on this list. Once you've passed the test, you can write your five flowers on an official entry form with your name and contact information and put it in the giant beehive at the FTD Spelling Bee Kiosk in the store. During Welcome Teacher Day on August 31, we will choose a winner from the beehive. The winner will receive prizes as well as a cash gift for their classroom.

All students who participate will leave the store with one of the flowers chosen by our team members, showing our appreciation for their participation.

Alstromeria

Gladiolas

Cattleya

Hydrangea

Chrysanthemum
